

Fill jobs faster with texting and calling

Staffing, recruiting, and talent acquisition teams can reach large groups and text individuals with our messaging solutions. Reach more contacts, and do it faster than the competition.

Text-Em-All has changed the way companies engage candidates and employees. Text or call large groups, replies become private conversations.

Our services are simple, easy to use, and reliable. We provide 24/7 customer service that is professional, knowledgeable, and personable. Working with more than 1,000+ staffing clients and 12 of the top 20 staffing firms, we understand the industry.

Some great ideas for usage:

- Last minute job fills
- Missing timesheet requests
- Timesheet entry reminders
- Talent acquisition
- Database cleanup/ data validation
- Candidate availability confirmation
- Holiday reminders
